

EXHIBIT INFORMATION Autumn 2009

Gallery 888 is dedicated to the exhibition of artwork of emerging contemporary artists. Submissions are invited and can be in the form of slides, prints, photographs, etc. (specify price, medium and dimensions) or by appointment with originals. Artwork must be judged by Gallery 888 to be appropriate and acceptable.

Gallery 888 consists of one large exhibition room (15' x 30') with 12 foot ceilings x 83 linear feet of hanging space which can be seen by visiting the gallery or on our web site (see below for URL). There is excellent halogen lighting, a show window at street level, a well-equipped kitchen for openings and a 2-piece bathroom. In favourable weather, the outdoor grotto may be available.

Gallery 888 is primarily oriented around artists assisting with and sitting their own shows. In this case, the artist pays no hanging fees and no commission on sales. Gallery 888 has fees for *rental for the space, some items of assistance* and for *restoration of the walls (\$85)* following the show (increased if salon style). There is a *\$150 damage deposit* which is refunded on return of the gallery keys, minus any deductions for damage, loss of keys, or cleanup resulting from the show. If the artist is unable to sit their own show, at the option of Gallery 888, the Gallery hires a sitter * who charges an hourly fee payable by the artist.
